We would encourage you to take time to learn about the Residents & Relatives Association which offers information and advice for residents and their families. A copy of their leaflet can be downloaded from their website: www.relres.org/your-rights-in-a-care-home.

If you have already made arrangements to appoint an Enduring/Lasting Power of Attorney, or a Court Appointed Deputy, in the case of diminished mental capacity, please provide copies of the relevant documentation to the management of the home. Please speak to the Manager or ask for more information. Please note that members of staff are not permitted to assist you with the preparation of any legal documentation, including acting as a witness or executor.

Funding and support

Similarly, members of staff or their relatives are not permitted to benefit from the will of a resident. For more information, please speak to the Manager.

Although we recognise that it's a difficult topic for discussion, we invite you to speak to us about any wishes you have regarding the end of your life, including your thoughts on resuscitation, advance care planning and funeral arrangements.
